# *Time to switch off*

The day is passing by on soft soles. Now the most precious part of the day is starting: Now it's time to switch off. Space for thoughts and ideas, for anything that enriches our lives and makes us happy, like an exquisite carpet.

# *In the Meantime*

Bright and cheerful rooms create an atmosphere that welcomes us and our dear ones at any time of day. To have a chat or just to sit down together. Exquisite carpets and inviting surfaces foster these nice occasions.

*No time  
restraints*

Cuddly, stylish and inviting. With these attributes, our favourite place makes us want to spend time at home. When peace and quiet come together and we replace the ground of hard facts by a soft ground of an exclusive carpet, it is very easy to let your soul dangle.

*Dream-  
time*

*Time to  
fly*

VIVA is pure life. VIVA is like an oasis, where we can enjoy our time to the full. To feel completely at ease, we want to play and retrieve the freedom and serenity of childhood on pleasantly natural carpets.

# Carpet fashion

With „Carpet Fashion“ you give your new favourite piece the right frame, whether you decide for a round, a square or a rectangular carpet.

## Cover:

Simple and valuable

A simple turn of the carpet's edges and an additional valuable carpet underlay made from felt creates a high-quality and comfortable carpet with an especially textile character.

## Edging:

The all-rounder under the edgings.

The surrounding Alcantara edging (1cm), can be selected either matching to the carpet's colour or in an accent colour.

## Fringes:

Both a trendsetter and a classic.

Fringes decorates your carpet Cover at the short sides with a matt-glossy viscose fringe.

## Leather:

Timelessly natural

This universal border is made from a high-quality smooth leather.

## WALL-TO-WALL CARPETS - Time for details:

### Elegant

The look of a wall-to-wall carpet stands for high-quality comfort and creates an exclusive and modern ambience.

### Anti-allergic

Lost hair, dust and allergens are being bound and the particulate matter pollution in the room's air is being reduced.

### Varied

In combination with other floor coverings, a carpet gives structure to a room in which people feel comfortable.

### Healthy

An elastic and soft pile protects the human locomotor system, offers sure footedness and has a positive influence on the room climate.

### Individual

Custom-made carpets set new accents on parquet, laminate or design floorings.

### Creative

A variety of colours, shapes, materials and structures gives you the greatest possible scope for your design.

### Silent

Carpeting significantly reduces the impact and reverberation sound and thus creates a serene atmosphere.

### Reliable

Innovative fibres are particularly durable, hard-wearing and easy to clean.
