

Una Ground Control

SUSTAINABLE AND SAFE

ege®

Sustainable and healthy carpets with Smart-Carpet™ technology

The innovative Una Ground Control range combines stylish carpet with functionality and high-level comfort to deliver a warm, welcoming and practical solution for your next hospitality project. Pre-treated with innovative Smart-Carpet™ technology, the collection combats the survivability of microorganisms such as bacteria. This adaptive quality also ensures critical wash and bleach-proof properties for easy maintenance so you can always deliver a great guest experience.

Made with 100% regenerated and regenerable ECONYL® yarn produced from abandoned fishing nets and other industrial waste, a sustainable solution is now attainable for hospitality carpet too. Available in 36 contemporary colours structured around three design stories featuring both solid, slightly pixelated and herringbone patterns, this intelligent carpet is the perfect choice for hotels and restaurants. Una Ground Control comes with a 20 year wear guarantee.

Una Ground Control is
anti-microbial • water, wash and bleach proof • acoustic dampening • colourfast • anti-static • 100% regenerated yarn

Follow The Green Thread

Indoor Air Comfort Gold

All our carpets are Indoor Air Comfort Gold certified showing compliance of product emissions with the criteria of many of the voluntary specifications issued by the most relevant ecolabels and similar specifications in the EU. Gold certified products are best-in-class for low emissions, thus good for indoor air quality.

The Green Thread

A green thread runs through everything we do. It has for decades and will continue into the future. We believe that every carpet is an opportunity to improve the sustainability of our environment and the wellbeing for people. Read more about The Green Thread at egecarpets.com.

From waste to carpets

Una Ground Control is produced from regenerated and regenerable ECONYL® yarn made from used fishing nets and other industrial waste.

Terms and conditions

The Una Ground Control collection features three designs Superb, Iconic and Ideal, each available in a range of colours to suit any interior project. Created specifically with healthcare and hospitality requirements in mind, we've literally woven our Smart-Carpet™ technology into the fabric of the range, where it adapts to a myriad of requirements.

- 3 designs in a total of 36 different colour ways
- Tufted cut pile structure
- Available as broadloom in 4 m width
- Impervious backing as standard
- Class 32 - Commercial use
- C_f-s1 fire classification
- ÆGIS Microbe Shield. Protects carpets from microbial damage

20 year wear guarantee

As part of our ambition to always deliver the best quality in the market, our carpets undergo extensive tests and we are therefore able to give you 20 year wear guarantee.
