Authentics

Synchronising look and feel

Our Authentics designs are created with "Embossing in register" technology for a more natural look. This technology engraves effects onto planks and tiles to reproduce unique flooring that gives a truly realistic impression of real wood.

Classics

Trusting in our origins

Classic gravure printing has stood the test of time for decades. For this collection, our designers have selected our most acclaimed materials and colour harmonies to help you develop feel-good interiors. Our new Tektanium™ PU coating reinforcement achieves ultra matt effect and brings warmth and realism to the flooring's look and feel, while ensuring stain resistance and easy cleaning. Enhanced modularity is made more accessible to allow agile transformations of space.
