

A modern interior space featuring a dark teal wall, a staircase with a wooden handrail and vertical metal balusters, a dark blue armchair, a black floor lamp with a brass frame, a small black side table, and a white shelving unit. The floor is covered in light-colored wood-look LVT planks.

Interface®

Interface LVT produktssortiment.

Smukke LVT gulve der præstere.

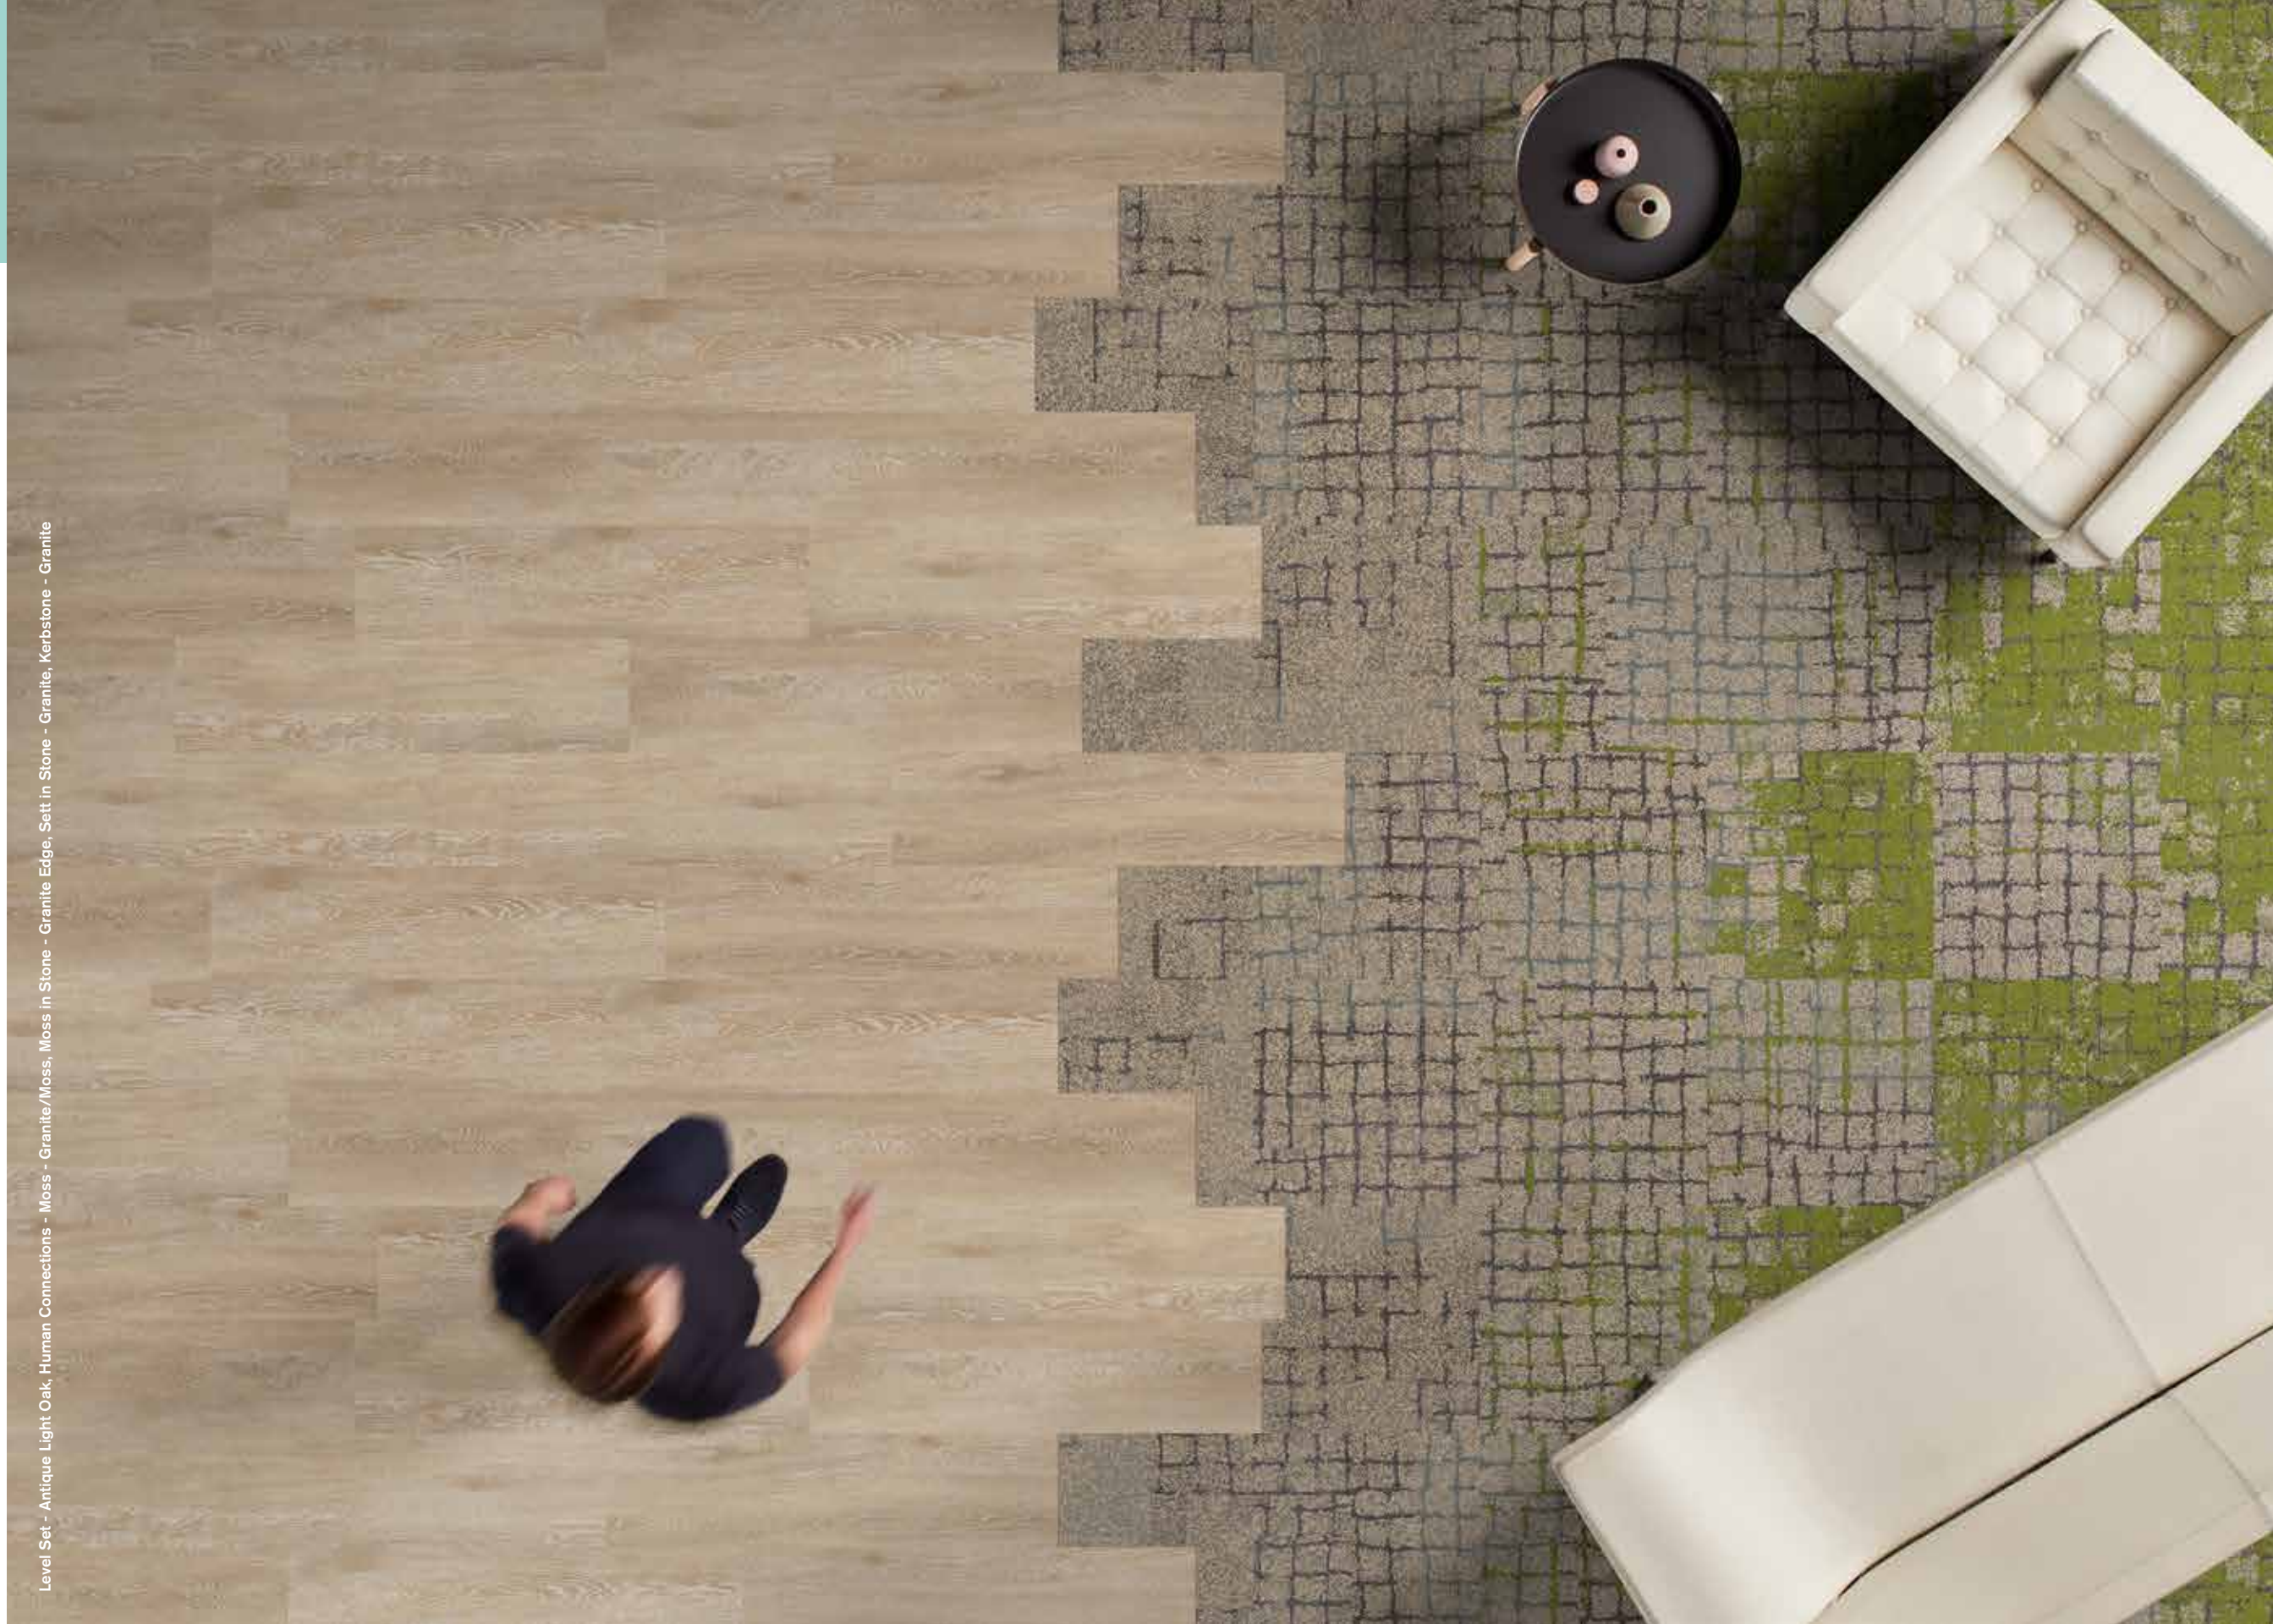

Opdag en verden fuld af design muligheder.

Vi har designet vores LVT gulve og tekstil tæppefliser, så de kan kombineres sammen - uden synlige samlinger. Dette indlysende møde mellem hårde overflader, bløde strukturer og masser af mønstre og farvekombinationer giver dig mulighed for at skabe gulve med et helt unikt design. Interface's unikke udvalg af produkter og tjenester tilbyder alt, hvad der er nødvendigt for at møde den næste designudfordring og skabe rum, hvor folk føler sig godt tilpas.

Vores LVT kollektioner har altid vores overlegne Sound Choice™ bagside. Med det kan selv hårde gulve lyddæmpes, hvilket gør det lettere for dig at skabe overflader til arbejde og fokus. Som hele Interface produktporteføljen er alle produkter nu CO₂-neutrale.

Level Set - Textured Woodgrains - Rustic Oak

The Orchard, Czech Republic

16dB

Overlegen akustik.

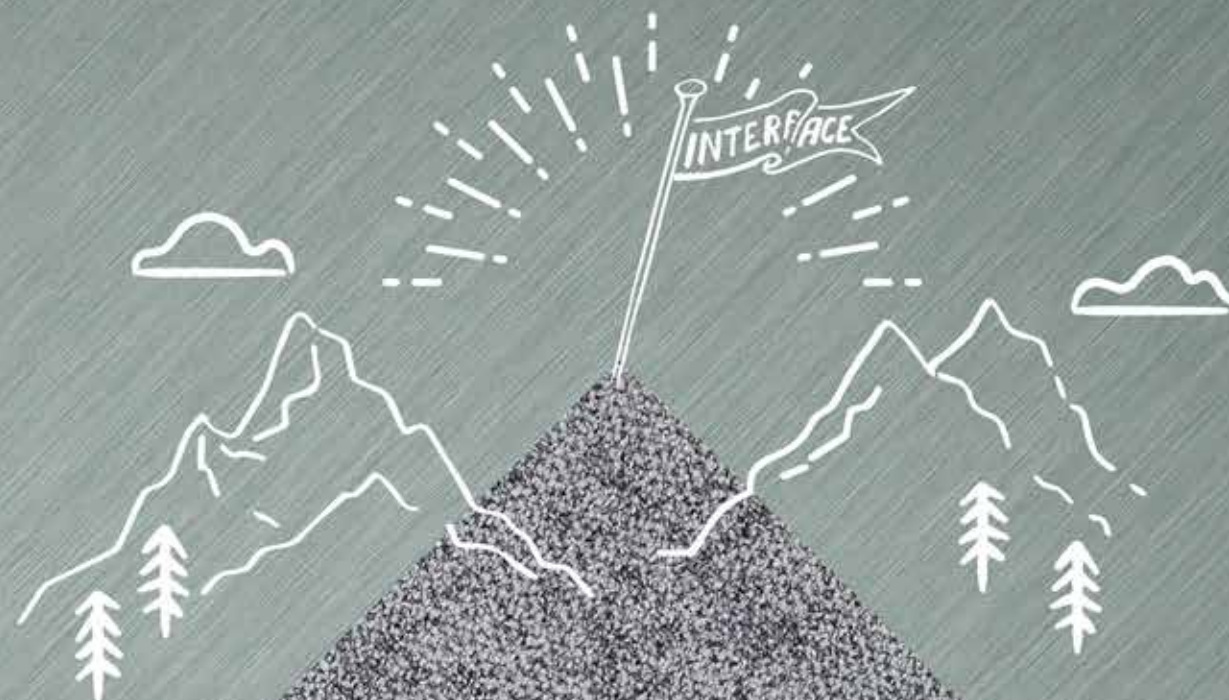

Vores LVT gulve har en integreret Sound Choice™-bagside for overlegen akustiske ydeevne. Ved at minimere støj, kan dette gulv medvirke til at øge produktiviteten og samtidig skabe et rum af komfort og stil.

Stil som holder.

Vores LVT gulve bruger Ceramor™, 0,55 mm i slidlag, som giver en holdbar overflade, der minimerer ridser og andre skader selv i områder med høj trafikintensitet. Med denne slidstyrke vil du elske dit LVT gulv i mange år fremover.

VI KENDER TIL DIT GULV
INDVIRKNING PÅ DEN GLOBALE
OPVARMNING.

DET ER DERFOR, AT ALLE VORES
PRODUKTER NU ER CO₂ NEUTRALE.

Carbon Neutral Floors™.
Alle vores produkter.
CO₂ neutral.

Vi har lavet regnestykket. Vi kender dit gulvs belastning på den globale opvarmning. Derfor er alle Interfaceprodukter - tæppe eller LVT - CO₂-neutrale. Vi beregner gulvets indvirkning på den globale opvarmning og sørger for, at den modregnes - uden ekstra omkostninger for dig.

Ved at vælge CO₂ Neutrale gulve hjælper vi dig med at tage et positivt skridt i den rigtige retning mod CO₂ emissioner. Det næste skridt er op til dig.
